CERTIFICATE

Based on my information :

1. A label state 2005-11-03 (appendix 1) of the product (500 g), trade name "**Active Scandinavian Barley**" distributed by the above-mentioned company, generic name:

food complement with pure pre-sprouted Barley

2. List of ingredients:
pure pre sprouted Barley of Sweden (100 %)

contains Betaglucan (4%) and Gluten (0,5 %)
3. Together with the recommendation:
 - to mix 1,5 tablespoonfuls with fruit juice, warm or cold water, yoghurt, milk, fruits, ice cream, or according to taste,
 - to keep in a cool dry place,
 - to keep out of the reach of children

I hereby certify that the above characterized product, as considered as a food complement, meets the EU Directive (2003/89/CE, 2000/13/CE and 2002/46/CE) and French law concerning food complements and their packaging, and can legally be sold as a food complement in the European Community.

Paris, 13th February 2006
