CERTIFICATE

Based on my information:

1. A label state 2006-01-23 (appendix 1) and a recipe of the product (50 ml), trade name "Crystal Energy" distributed by the above mentioned company, generic name:

a complement for water treatment by a mineral concentrated original Flanagan Microcluster

2. List of ingredients:
Cleansed water, Flanagan Microcluster (Silica (45%), Potassium Carbonate (53%), Magnesium Sulfate (0,75), Oleic Acid (1,5%).
3. Together with the recommendation:
 - add Crystal's spoon in 4,5 litre of tap water or add 8 drops by glass,
 - to keep in a cool dry place,
 - to keep out of the reach of children
 - this product is not intended to detect, to treat, to cure or to prevent diseases,
 - the persons under medical treatment will have to consult their regular doctor before taking this product or quite other food complement.

I hereby certify that the above characterized product, as considered as a food complement, meets the EU Directive (2003/89/CE, 2000/13/CE and 2002/46/CE) and French law concerning food complements and their packaging, and can legally be sold as a food complement in the European Community.

Paris, 13th February 2006
